TREE wins National ECD Excellence Award

TREE is proud to announce that we are the winner of the first national Award for Excellence in Early Childhood Development, awarded by ABSA Bank, the Sowetan Newspaper and SA Congress for ECD.

TREE, one of the oldest and certainly the largest ECD NGO in South Africa works throughout the province of KwaZulu-Natal and adjacent Eastern Cape areas to make a better life for vulnerable young children. Founded in 1984, TREE works with parents/caregivers and community based pre-schools to build their capacity to offer young children opportunities for development to give them a better chance to reach their full potential.

Since its inception in 1984, TREE has trained over 23 000 people, mostly women, and has impacted on the lives of over 700 000 young children.

If you would like further information or would like to support TREE's work, please contact us on 031-579 4711 or visit www.tree-ecd.co.za
